

Are Your Students Up for a Challenge? Test Their Financial Knowledge!

Sign Up To Administer the 2012 Financial Capability Challenge.

IT'S QUICK!

The Financial Capability Challenge only takes about **30 minutes** to administer online, but the lessons your students will learn in preparing will last a **lifetime**.

IT'S EASY!

Comprehensive **lesson plans and sample test questions are available** in our **Educator Toolkit** to help you prepare your students for the test and for their financial futures, covering topics such as earning, spending, saving, borrowing, and risk protection.

IT'S REWARDING!

Educators and top-scoring students in each school will earn **personalized award certificates** and states with the highest participation will also be recognized.

Kick Off: **MARCH 12TH**

End Date: **APRIL 13TH**

ANY HIGH SCHOOL TEACHER CAN DO IT!

We encourage all high school teachers, not just math and personal finance teachers, from all types of school systems—public, private, parochial, and home schooling—to register their students to participate. We also welcome youth group leaders who have a role in educating high school students to participate.

Sponsored by the U.S. Department of the Treasury in partnership with the U.S. Department of Education.
